Greenhouse Raising

Saturday September 10th • 9:00 am - 3:00 pm • Men's COTS, 913 S. West Ave. Appleton
Come one, Come all!

COTS is putting up a greenhouse and we could not be more excited. This will give our residents a healthy and therapeutic interactive program. The greenhouse will enable COTS to create self-sustainable activities as we learn to grow our own food and give the surplus to other members of our community facing food shortages. How rewarding for our residents and the entire community at large.

We need YOU!

You are invited to help us construct our greenhouse. Lunch will be provided. Please RSVP.
