PROGRAM OPPORTUNITIES

BUILDERS OF COMMUNITY **\$15,000**

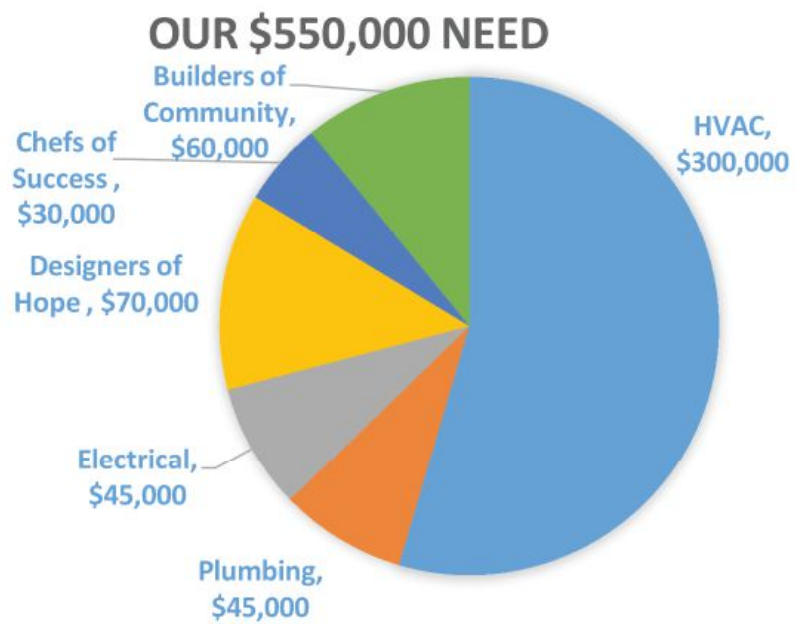

Our community rooms are a place where our residents come together, play a game of air hockey, do their homework, and relax after a day of work. You can help make this a space of healing and transformation.

CHEFS OF SUCCESS **\$7,500**

The kitchen is the true center of the home, and we want our kitchens to be a place where our residents can share stories, bond, and laugh as they prepare their meals. You can help create a space to nourish their spirits.

DESIGNERS OF HOPE **\$1,000**

You can transform the bedroom of one of our residents into a place that inspires. You choose the color scheme, the furniture, and more, creating a space of tranquility for our residents.

All Campus of Change donors will have name included on donor wall in 819 S. West Ave. building, name featured in our annual report and on Campus of Change page on our website.
