Who we are

COTS is a non-profit organization. We fulfill a unique need within the Continuum of Care of the Fox Cities by providing temporary transitional shelter for men, women, young adults, and single mother families experiencing homelessness in Outagamie, Winnebago and Calumet counties.

We respectfully provide individuals a safe and affordable place to live, food, household needs and training on basic living skills, enabling residents to transition to self-sufficiency and independent living.

We are a program with high expectations, with the goal of resident's leaving COTS with sustainable housing and employment.
